Dear Deny:

It was a pleasure speaking to you regarding your property at 900 Cahuenga Avenue. I will be mailing out to you security guard vinyl stickers with the 24/7 number to contact in the event that your tenants or yourself need to reach. Also I understand that Councilmember O'Farrell has passed an oversized vehicle ordinance for several streets in your area including but not limited to Lillian Way, Willoughby, and Cahuenga. Here is the link to the council file for your consideration: [Lillian Way / Cole Avenue / Cahuenga Boulevard, et al / Oversize Vehicle Restrictions](#) This was vetted in Transportation Committee and then approved by City Council back on September 23, 2016. I believe that the instructions have been transmitted to the Parking Administration Group to initiate the process of establishing the parking restrictions. Generally speaking this could take several months - however I will reach out to the department to obtain a status.

Feel free to reach out to our office anytime. Thank you
